Take a Kodak With You

We say "Kodak" advisedly. We do not merely mean camera, but the particular make of camera that bears the Eastman trademark "Kodak." The satisfactory results that it has given to our customers justify us in specifying "Kodak."

Your vacation will mean more to you, if you Kodak. Not only more pleasure at the time, but afterward, the added pleasure that will come from the pictures.

Let us show you how simple it all is by the Kodak system. Our stock is very complete and we are always glad to give photographic help to any amateur.
